

# "I DON'T WANT TO GO TO CHELSEA"

SO SANG ELVIS COSTELLO IN THE 1970'S!!

But then of course, as far as we know, Mr Costello wasn't a Freemason – let alone a Cryptic Companion. Whereas our Surrey District Grand Master, RIII Comp Arnold Long who, quite obviously, IS a Cryptic Companion, very much wants to go to Chelsea – and for once, despite his various love affairs with the likes of José Mourinho, Carlo Ancelotti, and Didier Drogba, we're NOT talking about Stamford Bridge!

This is to announce that RIII Comp Arnold will be Visiting Chelsea Council No.72, at Surbiton, on Monday 1st November, along with a Delegation of his District Grand Officers and, on that occasion, he will – amongst other things - be witnessing a conferment of the Royal Master Degree which, I'm sure we all agree, contains some of the finest Ritual in all Freemasonry.

Suffice to say that he very much hopes that both he, and Chelsea Council, will receive the support of as many of his District Companions as possible on that occasion.
